

"Let us not love in word or speech, but in action and truth" (1 John 3:18)

Reading Progression

This Reading progression covers all aspects of reading from the non-statutory Development Matters (EYFS) to the National Curriculum (Y1 – Y6), including phonics, decoding, comprehension and fluency. The National Curriculum says “The overarching aim for English in the national curriculum is to promote high standards of language and literacy...to develop their love of literature through widespread reading for enjoyment.” In order to develop this love, Reading for Pleasure in school should be meaningful and joyous and the pleasure must be woven through, both when reading independently and as a class.

EYFS

The skills within EYFS have been taken from Development Matters. Development Matters is non-statutory. The skills used in this progression will allow teachers to see the link between EY provision for Communication, Language and Literacy and the curriculum for reading in KS1 and KS2. Teachers can target these skills so that children can begin to acquire some of the foundational knowledge and skills required for reading. These skills are delivered through phonics, stories and the CLL provision.

Progression

This progression is used to build on prior knowledge, pitch appropriately for year groups, target the teaching of specific skills, track progress through assessment for learning and understand gaps.

Reading skills are not exclusive to a particular year group. Whilst the progression may describe a skill that should be taught in a year group., it is likely that that a skill will need to be developed in subsequent year groups

	<p>Understand the five key concepts about print:</p> <ul style="list-style-type: none"> • print has meaning • the names of different parts of a book • print can have different purposes • page sequencing • we read English text from left to right and from top to bottom <p>Blend sounds into words, so that they can read short words made up of letter-sound correspondences.</p> <p>Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.</p> <p>Re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment.</p> <p>Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.</p>	<p>To accurately read texts that are consistent with their developing phonic knowledge, that do not require them to use other strategies to work out words.</p> <p>To reread texts to build up fluency and confidence in word reading.</p>	<p>To read aloud books (closely matched to their improving phonic knowledge), sounding out unfamiliar words accurately, automatically and without undue hesitation.</p> <p>To reread these books to build up fluency and confidence in word reading.</p> <p>To read words accurately and fluently without oversounding and blending in age appropriate texts.</p>	<p>At this stage, teaching comprehension skills should be taking precedence over teaching word reading and fluency specifically. Any focus on word reading should support the development of vocabulary.</p>
