Hedgehogs homework map

Pretend to be a weather person explaining what the weather will be like on that day - get a grown up to record you! Can you tell us what the weather is like in the other countries in the UK?

Make your own musical instrument to represent a particular type of weather. This can be made from recycling around the house.

Hide some treasure, make a map with compass directions for someone to follow and find the treasure!

Create a book review from a book you have read at home to share with others. How many stars will you give it? Would you recommend it to others?

Don't forget to keep reading and practising Numbots!

Create your own 'gratitude jar' and write or draw something you are thankful for each day on a slip of paper and drop it in the jar. Do it for one week and read them at the end of that week.

Learn how to say 'Thank you' in a different language. Get ready to share with your classmates!
