

Fly away with me

Hedgehogs homework map

Don't forget to keep reading and practising Numbots!

Make your very own junk model aeroplane!

Create your own 'sky painting' using different tones and textures.

With the help of an adult make some butterfly cakes - eat them before they fly away!

Imagine you had wings, where would you fly to and why? Write your reasons down and draw a picture of yourself with wings.

Go on a lovely spring walk and create a 'stick person or creature' with the natural objects you find on your travels.

Design and draw your own hot air balloon - label the different features.
