

# Mix it up!

## Hedgehogs homework map

Don't forget to keep reading and practising Numbots!

Get a grown-up to take a picture of you reading a book in a peculiar place.

Invent a new animal by combining two animals together (e.g., a lion + a fish = a lion fish).

Write a few sentences about your animal.

### Dress-Up Mix!

Create a costume from different clothes around the house. Draw or send your creation through on Dojo.

Invent a new 'rainbow snack'. Find foods of different colours and arrange them into a colourful plate.

### Nature Mix Collage.

Collect leaves, twigs, petals and grass to create a picture.

Draw or send your creation through on Dojo.

### STEM challenge

Mix different materials to build a floating boat.
