WHAT IS THE WPCC SEND ACTIVITY GUIDE?

The WPCC SEND Holiday Activity Guide brings together as many SEND inclusive activities, leisure and social opportunities in Wiltshire (and surrounding areas) as possible.

The activities listed may be for a specific age range or groups based on needs.

Some activities are specifically run for children/young people with SEND, but there are also a number of activities that are inclusive of SEND and the organiser has requested that you contact before booking to discuss your child/young person's needs/requirements to ensure they can be appropriately accommodated. **We can only promote the activities we know about; if you know of other activities, please tell us.**

Anyone in Wiltshire can use the SEND Activity Guide to access inclusive opportunities for young people with SEND.

How to use the SEND Activity Guide: -

- ♦ Each activity in the Contents has been given an item number which corresponds to the activity name.
- ♦ Find out more about a specific activity, who to contact and how to book by looking up the item number on the Activities Information list and using the contacts or web link provided.

Every effort has been made to ensure accuracy at the time of going to print, but we recommend that you ALWAYS check to see whether there have been any changes to times/dates/availability of any sessions advertised before attending.

Crisis and Resilience Fund – Replacing Household Support Fund

The UK Government has announced a **new three-year funding stream to support people in financial crisis** that will replace the Household Support Fund (HSF), which ended on 31st March 2026. Recipients of support through the HSF will not automatically receive the same, or similar, under the new Fund.

The new Crisis and Resilience Fund (CRF) is intended to help support low-income households facing financial shocks and fund activities to build individual and community financial resilience.

There are four components to the new Fund:

- Crisis Payments – via an application process, with wraparound support
- Housing Payments – which will replace the Discretionary Housing Payments
- Resilience Services – to help individuals and communities to build financial resilience, beyond the funding period
- Community Coordination – to build stronger communities that support each other and bring voluntary sector community enterprises together to support individuals.

Contact - Universal Credit Flowchart

Following their recent Facebook Question and Answer on Universal Credit for disabled students (<https://contact.org.uk/about-contact/news-and-views/universal-credit-and-young-people-in-education-your-questions-answered/>), Contact's Family Finance Team have created a new flowchart to help parents work out whether their young person is likely to qualify for Universal Credit while still in education.

Useful Information for Parent Carers

INCLUSION FUNDING FOR SETTINGS

Early Years Inclusion Support Funding is a financial contribution for early years settings towards the inclusion of children aged 0-5 who have a disability or difficulty that creates a barrier to their learning.

The funding is 'Needs Led'.

An Early Years Inclusion Officer and your setting will discuss any additional support required, in partnership with parents. The funding can be used by the setting for training, resources or support which is additional to or different from what is normally expected to be provided within your setting. It is neither the expectation nor intention that the additional funding will provide 1:1 continuous support.
